

## **Important Music Information**

Each student needs to have their own instrument and bring it to every class. Piano/ Keyboard students do not bring their instrument to class, but they must have an instrument at home in order to practice. Drum students should bring their drumsticks to class.

Violin students who do not have an instrument can wait until after their first class to purchase one. The instructor will advise you on what size violin to purchase or rent, based on the individual student.

Music books are required for most music classes. Books will be available for purchase. The cost is between \$7-\$12. Drum sticks will also be on sale for \$5.

We encourage each student to practice their instrument 20 minutes – 1 hour a day, depending on their age, in order to enhance their talent and boost their confidence.

## **Important Martial Arts Information**

Students are required to wear their Gee (uniform) to every class. The instructor, Sensei Bennett, will have these for sale at no more than \$30. Those who do not have their white Gee should show up in comfortable clothing to their first class. Students will be measured after class by Sensei.
